Food Gift Cards

The majority of our families fall below the federal poverty line and feeding their families is a major priority. Aviva staff connect our families with food bank resources but sometimes emergencies arise and groceries are needed immediately. We try to maintain a small cache of food gift cards from a variety of stores so we can match the closest store to the client. We have found these stores to be the most beneficial to our families.

- Food 4 Less (Ralph’s)
- 99 Cent Store
- Dollar Tree
- Target
- Jon’s Market
- Smart and Final

Metro TAP cards and Gas Gift Cards

Getting to and from work or appointments is another serious challenge faced by our youth and their families. Again we try to keep a supply of Metro TAP cards and gas gift cards on hands for emergency situations we are alerted by case managers and therapists.

- TAP Cards can be purchased online https://www.taptogo.net/, vendor locations, TAP vending machines and at Metro Customer Centers. We recommend that each card that you donate has enough money for a one day pass ($7) https://www.metro.net/riding/fares/get-tap-card/

- Gas Cards can be purchased at any gas store. We recommend that each card has a minimum of $10.

Donations can be dropped off 7120 Franklin Avenue at the reception desk 9 am-4 pm Monday-Friday. New clothing preferred. Used clothing must be very gently used (cannot accept used undergarments). Aviva has a limited capacity to accept used clothes Please make sure that all items are placed in a box or bag before dropping off to ensure items are secured.
